## Full description

At the end of a quiet village between Gourdon and Sarlat, 10 minutes from shops and commodities, beautiful 17th century manor house with dovecote, two gites and an annex serving as a luxury guest room. The manor house, built on a cellar on the ground floor, offers five bedrooms and a large dining room communicating with the kitchen. The two gites each have an independent entrance and parking. The first one has two bedrooms and a bathroom with WC and Italian shower. The second has three en-suite bedrooms, one of which is on the ground floor, with an Italian shower and WC. The annex, converted into a luxury guest room, includes a bedroom with dressing room and separate toilet, a bathroom with Italian shower and separate toilet and a room designed for relaxation with a five-seater jacuzzi and sauna offering a view on the wooded garden through the picture window. The whole is set on a pretty landscaped garden of 2.5 ha with large trees and some fruit trees: fig tree, mulberry tree... a stream and a well. The property has two tiled swimming pools, one 12\*6, the other 9\*6 and heated, an unenclosed covered garage for 3 cars and a garden shed.
