Full description

Unique, set at the top of one of the most beautiful villages in France, this remarkable castle was built in the 14th century overhanging the rock and enjoys an exceptional panoramic view of the valley. It is composed of different buildings built over time and its outbuildings, keeper's house, barn, stables, garage. A high fortified gate gives access to the beautiful inner courtyard and its garden with swimming pool.

The main building has beautiful architectural elements, large stone staircase, several monumental fireplaces, beautiful doors, mullioned or geminated windows, floors in Versailles parquet or walnut ladders, beautiful reception rooms, including a large living room of 80 m², Louis XVI living room, library, large dining room, 7 bedrooms, one of which benefits from the large terrace of 80 m² and its breathtaking view over the valley. A unique place.
